### Hollywood Glam oozes at Bazula's

Cindy McCauley has brought her idea of Hollywood glamour to Bath Lane.

Owner of Bazula's for six years - and another 14 working in the business - Cindy and her staff have almost 50 years of experience in jewellery and are excited about the move into Bath Lane.

Cindy said: "We decided to relocate to No.5 Bath Lane next door to the Bridal Shop and we love the friendly atmosphere in this part of the city opposite the new Bendigo Bank building."

### The unique blend

Unique coffee blends have made The Green Olive Café & Larder one of Bendigo's most popular sanctuaries for city workers.

It's where Ron Kopp and 16 staff, including two qualified chefs and two apprentices, also prepare gourmet snacks and meals.

Ron purchased the Green Olive three years ago when construction of the new Bank building had just started.

They have had a daily view of workers turning architectural plans into a modern bank headquarters.

"It's a marvellous addition to Bendigo, and has created a new precinct for Bendigo clients and tourists," Ron said.

The Green Olive is part of the Bendigo culinary initiative Life's a Dish, The Next Course, and serves the breakfast special The Tassie Devil - two English muffins, Tasmanian salmon, two poached eggs, avocado, pepper and chives

on the collectable Green Olive signature plates made by Bendigo Pottery.

Indoor and outdoor seating for more than 60 people makes the Green Olive an attractive place for breakfasts and lunches or that quick cup of coffee between meetings and phone calls.

### Mona Lisa by Sheridan

Sheridan White is well known for dressing Bendigo and central Victorian women for special events.

At her store in Bath Lane, Sheridan provides stunning and spectacular choices in the latest

in fashionable special occasion wear...for the races, weddings, parties and balls.

Opposite the new bank, Mona Lisa caters for high fashion, day wear and casual wear.

And among her many customers are staff from the Bendigo Bank.
