Acknowledgement of Country

I would like to begin today by acknowledging the Traditional Custodians of the many lands that we are gathered on.

Specifically, I would like to respectfully acknowledge the Gadigal People of the Eora Nation. I would also like to acknowledge the Traditional Custodians of the lands which each of you are living, learning and working from.

I pay my respects to Elders past and present and extend that respect to any Aboriginal or Torres Strait Islander people here with us today.
