Profitability ratios use half-year results which have been annualised by multiplying the numerator by two.

Cash earnings used in cash basis earnings per ordinary share is profit after tax adjusted for significant items after tax and intangibles amortisation (except intangible software amortisation) and dividends on preference shares.

Earnings used in earnings per ordinary share are profit after tax including significant items, less dividends on preference shares.

Ordinary equity for use in these ratios is net assets less preference shares, asset revaluation reserves, unrealised gains/losses on cash flow hedges reserve and non-controlling interests.

After tax return on average assets uses profit after tax.

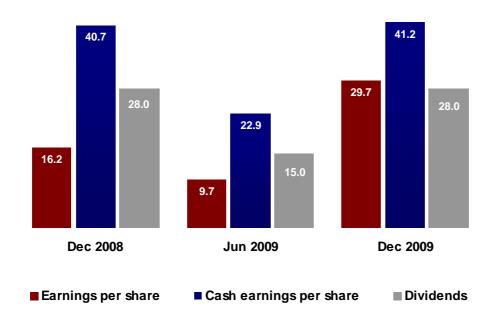

June profit figures are for the June 2009 half-year and balance sheet items are as at end of June 2009.

Dividend Reinvestment Plan

The Dividend Reinvestment Plan provides shareholders with the opportunity of converting their entitlement to a dividend into new shares. The issue price of the shares is equal to the volume weighted average share price of Bendigo and Adelaide Bank shares traded on the Australian Securities Exchange over the 10 trading days following the Record Date at a current discount of 2.5%. Shares issued under this Plan rank equally with all other ordinary shares.

Bonus Share Scheme

The Bonus Share Scheme provides shareholders with the opportunity to elect to receive a number of bonus shares issued for no consideration instead of receiving a dividend. The issue price of the shares is equal to the volume weighted average share price of Bendigo and Adelaide Bank shares traded on the Australian Securities Exchange over the 10 trading days following the Record Date at a current discount of 2.5%. Shares issued under this scheme rank equally with all other ordinary shares.

The last date for the receipt of an election notice for participation in either the Dividend Reinvestment Plan or Bonus Share Scheme for the 2010 interim dividend is 4 March 2010.

We have reviewed the accompanying half-year financial report of Bendigo and Adelaide Bank Limited, which comprises the balance sheet as at 31 December 2009, and the condensed income statement, statement of comprehensive income, statement of changes in equity and cash flow statement for the half-year ended on that date, other selected explanatory notes and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of Interim and Other Financial Reports Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Bendigo and Adelaide Bank Limited and the entities it controlled during the half-year, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act* 2001. We have given to the directors of the company a written Auditor's Independence Declaration, a copy of which is included in the Directors' Report.

Liability limited by a scheme approved under Professional Standards Legislation

Conclusion

- i) giving a true and fair view of the consolidated entity's financial position as at 31 December 2009 and of its performance for the half-year ended on that date; and
